**SAVE
MONEY,
TIME and
LIVES** with

easypoint[™]
retractable needles

www.retractable.com

BENEFITS

- Reduced disposal space
- **Saves Money**
- Quick and easy to use
- **Saves Time**
- Effectively reduces the risk of
needlestick injuries
- **Saves Lives**

FEATURES

- Automated needle retraction
- Pre-removal activation effectively
reduces the risk of needlestick
injuries
- After retraction, the contaminated
needle is enclosed and the syringe luer
tip is covered, preventing exposure
- Triple beveled, lubricated needle provides
patient comfort
